Section 4 Current Mooring Owners Intention

Remove the Mooring	Surrender Mooring to KPA	Transfer the mooring equipment to a New Mooring Applicant	
<ul style="list-style-type: none"> I declare that the information provided by me in this application is true to the best of my knowledge. I understand that I must notify KPA in writing if there are any changes to the details set out in this application I understand that prior to surrendering the mooring permit the mooring to KPA or transfer the equipment to a New Mooring Applicant, the mooring must have a valid inspection report. If not, the mooring will be inspected and will be removed at the Current Owner's expense if it does not pass inspection. The transfer/sale of a mooring does not guarantee the purchaser of the existing location of the mooring. The purchaser of the mooring equipment is required to contact KPA to discuss their requirements for the mooring and an alternative location may be identified.
